HOLLYWOOD DANCE SHOOT

Hair & Make-Up Guideline

Few tips to help you come ready for your shoot

Make-Up

- Natural looking makeup is always best
- <u>Do</u>:
    - Foundation/ concealer to even skin tone
    - Mascara
    - Blush
    - Light eyeshadow if any
    - A neutral lip color (berry or mauve)

** Your makeup should enhance what you already look like! Keep colors natural (ie. brown eyeshadow) and avoid harsh or unnatural colors (ie. purple eyeliner)

Avoid
- *Strip lashes*
- *Dark Lipsticks*
- *Heavy eyeshadow or eyeliner*
- *Foundation darker than skin*

Hair

- Clean and simple
- <u>Do</u>:
    - Keep it natural
    - Tame friz and flyaways
    - Pay most attention to hair in front that frames your face styling it down is usually better for photos, but its personal preference

Avoid
- *Styling it very different than you normally do*
- *Top knots or very trendy hairstyles*
